

Dreams

India boasts of a vast expanse of tropical forests, gigantic snow capped mountains and pristine golden beaches that make the most exotic getaway for a holiday. Close your eyes and imagine the beautiful places in India you dream of visiting - valleys, meadows, waterfalls, backwaters, streams, deep woods, beaches, pilgrimage and heritage places. You Dream. We fulfill.

The Project

'Dreams' turned into reality after much strategic planning and soul-searching by the Directors and Team of Four Seasons Exchanges (successfully running the # 1 Holiday Exchange Company in India). Realizing the need for a quality vacation within a modest budget, the team surpassed itself on designing a brilliant concept that chiseled shape and realized into **'Dreams' a holiday concept** ---stress free, pocket friendly holidays all over India.

A small fact of 'Four Seasons'

Four Seasons started with 5 affiliated resorts and 300 members in 1991. Today, we are affiliated with 200 PLUS Hotels / Resorts in India and approximately 3000 PLUS Resorts internationally through our RCI Members.

This progressive success is attributed to the trust and bond developed between us and our 22000 PLUS members and still counting.

- The rate of exchange confirmation provided to members today is an all-time industry high of approximately 97%.
- 22000 members have availed the services of Four Seasons upto year 2008 as compared to 100 members in the year 1991.
- Four Seasons won the prestigious "Accommodation Times-Trophy" awarded to/as the best Holiday Exchange Company in 1997.
